**ONTARIO COALITION FOR SUSTAINABLE INFRASTRUCTURE (OCSI)
ANNOUNCES NEW EXECUTIVE DIRECTOR**

OAKVILLE – The Ontario Coalition for Sustainable Infrastructure (OCSI) is pleased to announce that Darla Campbell, P.Eng. has been selected as the new Executive Director for OCSI, effective June 1st.

Darla Campbell, a professional engineer who worked with the Ontario Clean Water Agency and in the consulting engineering sector, was a project manager in the development of water and wastewater infrastructure in Ontario including the York-Durham Sewage System, Elgin-Huron Water System, York Water System and a designer/resident engineer of infrastructure in St. Thomas and Niagara Region.

Campbell brings experience in collaborative leadership and working as a volunteer with many not-for-profit organizations. She has advanced training as a results coach, communication specialist, trainer and facilitator. In working with other associations, Campbell has delivered strategic planning workshops, member expectation surveys and marketing action plans.

“Darla’s experience and enthusiasm will be a tremendous asset to OCSI in helping us to deliver on our mandate,” said Carl Bodimeade, Chair, OCSI.

Darla replaces Catherine Jefferson as OCSI’s Executive Director. “Catherine has played a key role in the progress that OCSI has made in the last eighteen months,” said Carl Bodimeade. Catherine has moved on to other opportunities, but will continue in her role as WEAO’s Executive Director.

The OCSI brings together the combined resources of six well-established organizations to work toward sustainable infrastructure in Ontario. The coalition comprises: Municipal Engineers Association (MEA), Municipal Finance Officers’ Association of Ontario (MFOA), Ontario Good Roads Association (OGRA), Ontario Public Works Association (OPWA), Ontario Water Works Association (OWWA) and Water Environment Association of Ontario (WEAO). The mission of OCSI is the promotion of "Safe and Sustainable Infrastructure". For more information go to www.on-csi.ca.
